SUMMARY OF THE REASONS FOR DECISION:

The magazine consists of colour and black and white photographs of four women using sex toys in sexual conduct. The women are presented squatting over and fellating the dildos along with inserting them into their vaginas. The magazine is seen to demean the women with this highly focused presentation. This is mitigated by the text, in the women's voice, explaining why they use the sex toys. The magazine is classified as;

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.
